THE CLASS OF "71"

PRESENTS

CENTRALIAN "70"

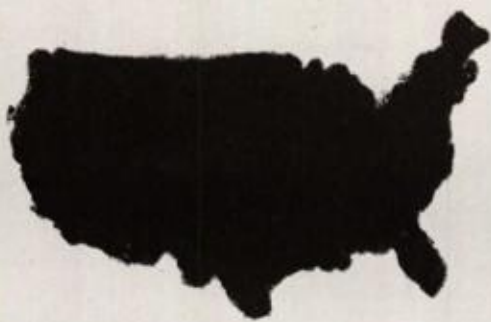

South Otselic Central School
South Otselic, N.Y.

Foreword

Let's talk sense to the American people. Let's tell them the truth, that there are no gains without pains

What do we mean by patriotism in the context of our times? . . . A patriotism that puts country ahead of self; a patriotism which is not short, frenzied outbursts of emotion, but the tranquil and steady dedication of a lifetime. These are words that are easy to utter, but this is a mighty assignment. For it is often easier to fight for principles than to live up to them.

Adlai Stevenson

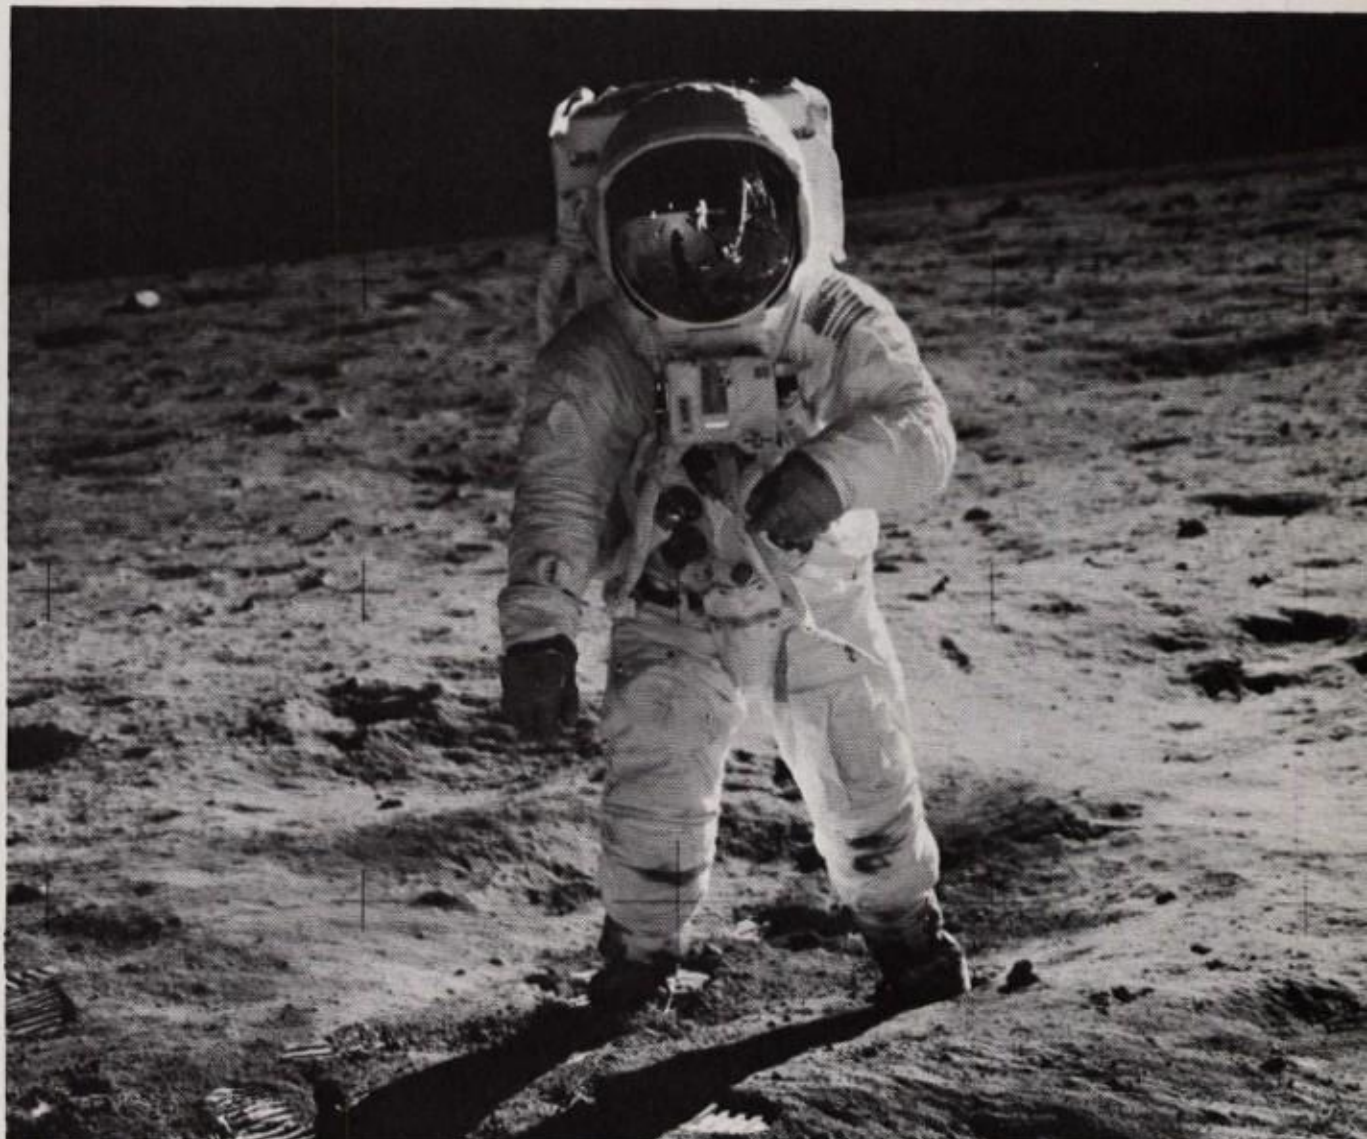

Apollo 11 on Moon—Astronaut Edwin E. Aldrin, Jr., lunar module pilot for the Apollo 11 mission, poses for a photograph beside the deployed flag of the United States during the Apollo 11 extravehicular activity. The astronauts' footprints in the soil of the Moon are clearly visible in the foreground.

Dedication

We the class of 1971 are proud to dedicate the 1970 Centralian to Apollo 11 and 12.

Apollo 11 on Moon—Astronaut Edwin E. Aldrin, Jr. lunar module pilot, walks on the surface of the Moon near the leg of the lunar module during the Apollo 11 extravehicular activity.

Mr. Richard Lago

Supervising Principal

The decade of the 60's was a period of challenge, accomplishment and tragedy. The students who graduated from this and other schools across the country shared in the joys and grievances of this memorable period in our history.

What the future holds for this Class of 1970 is difficult to imagine at this time. I am sure this will be a time of great challenge. The many problems facing our nation will in part be solved by the youth of today. The crying need for solving our urban problems, the necessity of solving the many problems connected with the pollution of our natural resources will provide the most resourceful of our youth with a task worthy of their ambitions.

I wish to congratulate this class for its academic accomplishments during their years at South Otse-lic Central School. I am confident they will meet any task with the same degree of success they have exhibited during the past four years.

The soccer team started the season with a majority of rookies and a few re-
turning lettermen. What the boys lacked in experience they made up for in enthu-
siasm. Though it was a very unsuccessful season 11-losses, 0 wins. We gained much
valuable experience and hope for better success in the future. Wait until next year.
